YOUR FINE WINE JOURNEY

EDITO

Welcome to Vintage Cellar

“As the founder and CEO of our fine wine platform in Geneva, I am proud to share with you an exclusive glimpse into our world of unparalleled vintages and bespoke services.

We have meticulously crafted an experience for High Net Worth Individuals around the world who share our passion for the rarest and most extraordinary vintages. Our invitation-only application is designed to offer a one-on-one, tailor-made service that transcends the traditional wine purchasing experience.

We not only curate and store your cherished collections but also provide expert advisory and support to elevate your cellar to its utmost potential. At our core, we are committed to nurturing a community where the art of fine wine is celebrated, preserved and enjoyed with the utmost care and sophistication. Welcome to our world, where your exclusive wine Journey begins.”

CRUISE EDITION BY VINTAGE CELLAR

An Enhanced Onboard Experience

Enjoy an enhanced onboard experience with Camper & Nicholsons and Vintage Cellar. This service elevates the Owner and charter journey by introducing a personal wine advisor dedicated to guiding you in selecting the perfect wines and spirits to stock on board during your trip, and after. These are then sourced from the producer's cellars and delivered straight to your yacht.

A DEDICATED WINE SPECIALIST

Our advisors provide exclusive access to the finest wines and rare spirits, leveraging trusted relationships with top producers. More than just procurement, we facilitate introductions, private tastings, and behind-the-scenes experiences tailored to your preferences.

- Personalised guidance from leading wine experts
- Access to rare and collectible fine wines
- Exclusive tastings and private introductions

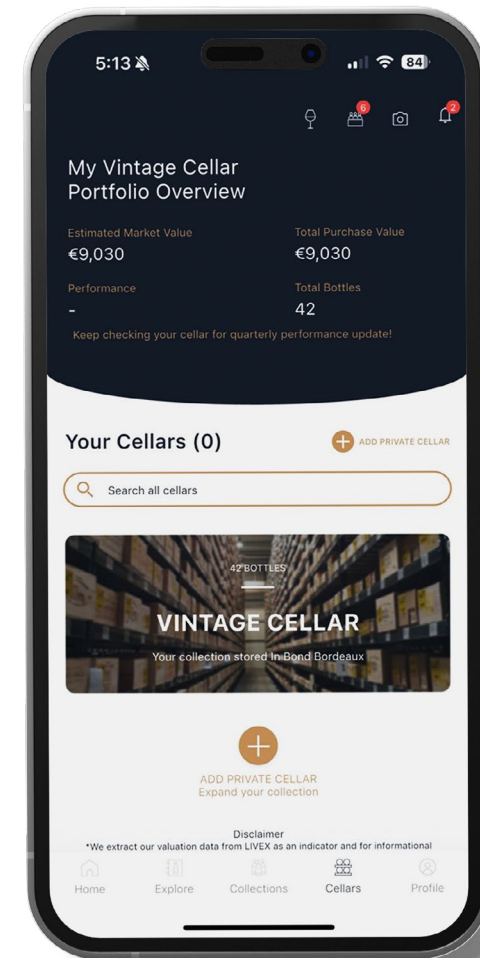

STATE-OF-THE-ART STORAGE

Once acquired, your wines are securely transported to our climate-controlled, bonded warehouses in Bordeaux, France, managed in partnership with Hillebrand, a DHL company. We're also able to help you store your existing wine collection and arrange delivery globally when you'd like to enjoy your wines.

- Secure, climate-controlled bonded storage in Bordeaux
- Increased value and provenance assurance for bonded wines
- Storage for your existing collection under optimal conditions
- Full market-value insurance and monthly inventory reports

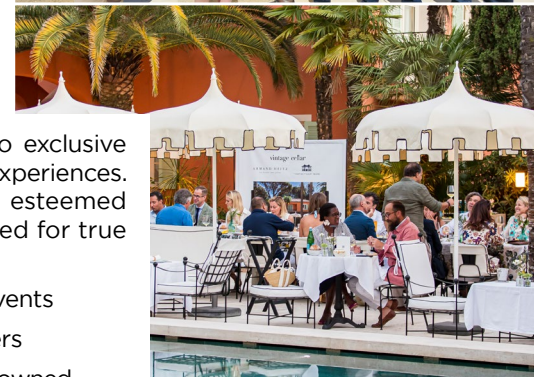

GATHERING & EXPERIENCES

Vintage Cellar members enjoy invitations to exclusive events, curated tastings, and immersive wine experiences. Travel with us for private tours, meet esteemed producers, and indulge in moments designed for true connoisseurs.

- Invitations to exclusive global wine events
- Private tastings with leading producers
- Behind-the-scenes access to world-renowned vineyards
- Tailored wine experiences to match your interests
